

JAVIER ANDREU

Front-End Developer | Digital Marketer

+34 637 358 839 • andreu.javier99@gmail.com • linkedin.com/in/dracudev/ • www.dracu.dev • Barcelona, Spain

Summary

Front-end developer with a strong background in digital marketing, dedicated to creating clean, scalable, and user-friendly web interfaces. My hands-on experience includes working with technologies such as React, Next.js, and TypeScript, gained through freelance projects and a comprehensive front-end development bootcamp.

Experience

Freelance

Front-End Web Developer

Remote

01/2025 - Present

- Developed 2 complete websites for clients in the e-commerce and corporate sectors, including an online store with Stripe payment integration and a responsive, optimized institutional website.
- Implemented technologies such as Next.js, React, Astro, TypeScript, and Tailwind to create efficient, accessible, and scalable interfaces tailored to each client's needs.

IT Academy de Barcelona Activa

Barcelona, Spain

Web Development Intern

04/2025 - Present

- Collaborated in the development of an educational wiki using the Scrum methodology, contributing to the structure, content, and usability improvements, utilizing technologies such as React, TypeScript, and Tailwind CSS.

El Gavilán Hat Shop

Orihuela, Alicante

Communications Specialist

09/2023 - 08/2024

- Created and maintained a website and social media profiles from scratch, achieving organic growth of up to 600 followers in less than a year.
- Applied basic SEO/SEM strategies and coordinated the visual branding in-store during the 4 seasonal campaigns throughout the year.

TD SYNnex

Barcelona, Spain

Marketing Specialist

05/2022 - 05/2023

- Managed operational tasks for 20-30 daily tickets in SAP CRM related to client updates, internal issues, and commercial support tasks.
- Maintained 2 WordPress sites with weekly content updates in 3 languages.
